BOOKMOBILE FUNDRAISING CAMPAIGN

MISSION Increasing literacy by increasing access to books and information

Many of you know that our original Bookmobile suffered a structural failure in August. This was a watershed moment for our young program. We chose to see it as an opportunity to improve and grow. We challenged ourselves and you, our community, to raise \$75,000 to purchase a reliable vehicle equipped to provide even more educational programming.

WE DID IT! THANK YOU!

...For accepting the challenge. For donating. For supporting this program so enthusiastically. Thanks to you, we have met our goal of \$75,000. More details inside on what this means for the future.

MEET THE "NEW" (TO US) BOOKMOBILE!

The new Bookmobile is a 2008 Freightliner MT55 bookmobile custom-built originally for the Denver Public Library. The Denver Library decided to revamp their outreach using three smaller "sprinter" vehicles rather than one large vehicle, and so they retired this beauty. This vehicle is 60% larger than our original bookmobile and offers new features such as: heat and air conditioning in the back, lighting throughout the library area, an interior checkout desk/chair, and a wheelchair lift.

THANK YOU TO JOE TILLEY AND WBHF RADIO
